As it is played today, **BUNCO** is a social dice game involving 100% luck and no skill (there are no decisions to be made), scoring and a simple set of rules. Members of a Bunco club take turns hosting, providing snacks and refreshments and set up the games. The host/hostess may also provide a door prize. Small amounts of money can be involved as well. The object of the game is to accumulate points and to roll certain combinations. The winners get prizes (provided by the host/hostess or pooled from the club resources) for accomplishments such as the highest score, the lowest score, or the most BUNCOS.

If you are interested in playing **BUNCO**, email Charlotte so that your name can be added to her contact list for the club.
