Formation, Purpose and Planning for the Future

The Ridings Lifestyle Committee (RLC) was formed to plan leisure and educational activities and events for The Ridings Community. The Lifestyle Committee works in cooperation with the Clubhouse Committee. All Lifestyle Committee activities held at the Ridings Clubhouse must abide by established Clubhouse rules that have been approved by the Ridings HOA Board.

The Lifestyle Committee meets the 1st Monday of each month (unless it's a holiday) to review events that have been held and plan future events that will enrich the lives of the residents of our community.
