

The Ridings Homeowners Association

The Ridings has a resident-managed HOA whose Board members are elected to serve a set term. The HOA is active, transparent and accessible to all residents. Regularly scheduled HOA Board meetings are held. The residents are actively encouraged to attend the Board meetings. The community is given timely notice of upcoming meetings and have access to the agenda through the community website. If a resident is unable to attend the Board meeting in the clubhouse, a telephone connection is available for the meeting. The Governing Documents have been revised and liberalized. (By-Laws, 2021; Covenants and Architectural Standards, 2023)

The Ridings has a resident-managed community website with links to the following information:
