

# Clubs

Residents are encouraged to form clubs that can meet at the clubhouse and enjoy common leisure activities. Our current clubs are listed below:

- The **Book Club** meets monthly and offers an opportunity to move out of your reading comfort zone and explore different authors and topics. The animated conversation about the selection of the month is fun and stimulating!
- The weekly **Mah Jongg Club** is the place for you if tiles are your thing!
- If you prefer dice games, you can join your fellow residents each month for **Bunco**.
- For those who are creative or are looking to tap into the artistic side of themselves, **Artisans Studio (Artisans)** offers the perfect vehicle. This group meets twice monthly and explores different art media and crafts.
