

Volunteerism is in our DNA!

Many of our residents volunteer their time and expertise both within the community and with a myriad of local organizations.

- The residents of The Ridings have a strong commitment to Cape Henlopen High School. We are responsible for a weekly food drive for the hungry students and their families at the high school. Each week, all the food is donated, collected and delivered by volunteers of The Ridings.
- Each fall, The Ridings holds a Walk-Run-Bike fundraiser to benefit the Lewes Volunteer Fire Department.
- The Ridings regularly participates in the Adopt-A-Highway Program to help keep the local roads adjacent to our community clean and attractive.
